

The background features a collage of technical drawings and photographs. In the top left, there is a photograph of a rocket launch in a blue sky, with a white border. Below it is a technical drawing with various dimensions and labels such as '5.500', '1.75 R', '2.75 R', '2 PLACES', '3.518 BSC TYP', '5.720 BSC', 'VIEW G-G', 'SCALE 1/1', 'SEE SHEET C', 'INDEX PAD', 'INDEX PADS', '30° BSC', 'TYP 4 PLACES', and 'SURFACE'. To the right is a circular technical drawing with concentric circles and labels like '100°', '3 PLACES', and 'SEE NOTE 1'. In the bottom right, there is a photograph of a rocket on a launch pad, held by a paperclip, with a white border. A red banner with white text is overlaid diagonally across the center. The text on the banner is 'COMING SOON'.

COMING SOON

A silver, cylindrical telescope is positioned diagonally across the lower half of the page. It has a lens at the top and a handle at the bottom. The background behind the telescope consists of technical drawings and a white envelope.
